

# Place Judges

In the case of a “photo finish” the race is decided by the call of the place judges.

The home team provides a 1<sup>st</sup> and 3<sup>rd</sup> place Judge. As a Judge, you watch the order of the finish. You identify the lane in which your place swimmer finished. (For Example: If lane 4 finished first, then the first place judge will hold up their hand indicating lane 4)

The visiting team will provide 1<sup>st</sup> and 2<sup>nd</sup> place judges. In the case that the first place judges do not agree, then the decision falls to the second place judge.
